

ALPHA

Job title Linguistic Quality Assurance Tester - Danish

Location Cambridge, Alpha HQ, United Kingdom

Contract type Permanent (full time)

Start date Position available immediately

About Alpha

Alpha has been at the forefront of the translation, localization and now globalization industries since 1987, and is now a Global Top 10 Localization Provider. We've built an in-house production model for the world's most demanding companies.

Alpha is a warm, lively and welcoming firm with over thirty nationalities represented in its eighteen offices. Every individual adds their own personality to our culture, and allows us to paint a bright, vivid and multi-faceted picture of the world, in micro, in each place. In the end, being part of the team is about more than work. We have activities ranging from summer paint-ball to cookery contests; book exchange to film watching, taking place across all our thirteen countries.

The position

FANCY WORKING IN A COMPANY WHERE PRACTICALLY THE WHOLE WORLD IS IN ONE BUILDING? THEN KEEP ON READING.....

In our Cambridge HQ we have a special dedicated team of more than 25 testers and 5 test leads, each from a different country/culture to work on projects for a well known global company with an online payment product. We are the linguistic gatekeepers for all language quality. We are currently in need of a **Danish** Linguistic Quality Assurance Tester.

Do you have experience as a Quality Assurance Tester, translator, proof-reader, reviewer, journalist, or linguistic content creator? Then this role may be of interest to you!

The post is a permanent, full-time position based in Cambridge, United Kingdom. A competitive salary, as well as great team of people, is a part of the deal.
